### Remembering a classmate

I remember Richard from OCS class 14-70. I remember having many talks with Richard during our classroom breaks. He was a great guy and one who I was proud to know while at Ft. Sill. It has been almost 40 years since our last talk, but it seems like it was yesterday. Goodbye, friend.

## My friend from Vietnam

I will always remember the good times we had at Ft. Sill and in Vietnam. I was Rich's mentor when he first got in country. I taught him the ropes on being a FO. We shared many difficult times. It was an honor to have known him.
