Even though I was an E4 and he an officer, he always treated me as a friend. Circumstances kept me from being with him when he was ambushed and I have always thought of him. He was a good man and spoke of his family and girl friend often.

Bill was a pleasure to have known. We went through OCS together. He was funny and liked his women. Bill was a good man, a great loss.

I am Bill's first cousin. He is remembered with great affection and respect by his family. I never met Bill, but many cousins have told me he was a warm fun-loving person whose company was always appreciated and enjoyed. He grew up in Sheffield, Alabama, and Phoenix, Arizona. He graduated from Scottsdale High School, and worked his way through 3 1/2 years at Arizona State University by working as a brakeman for the Southern Pacific Railway. He joined the Army, went through OCS, became an officer, went to Vietnam was a forward artillery observer. He was based at Camp Bearcat east of Saigon. On October 5, 1967, he and two other men drove in the evening to the village of Ap Binh Son, and he was ambushed and killed near that village. I have always wanted to have contact with the two persons in that jeep with him, but have never learned their identities. Would appreciate hearing from anyone who knows.

Rest In Peace Lt. Kiser

I remember well the night that you went out on that night patrol, I told you that I didn't want you to go on patrol that night because you were a short timer; I believe you only had three days left. But I know you're with God now. I miss you bro, you were a great person and officer. I think of you often and will never forget you! You were a brave soldier and you taught me well. May God Bless you. Always, Spec 4 Gasper Romero. If anyone in his family or friends reads this, please call me in Denver at 303-935-2778 I would love to speak with you.

He was an outstanding friend, and a heck of an artillery officer! I remember lots of good times in Manhattan & Junction City, KS.
