So Short

Lt. Lucas was in Viet Nam such a short time in a most difficult place. I knew him only for a day as he passed through Phu Loi on his way to St. Barbara and A Battery 2/32 FA and the war. My best goes to his family and friends.

togetherness in training

I was a classmate of Herb at OCS Ft Sill, OK class 37-67 3 Oct 1967. Do not forget those who gave the best they had defending our country, for they were the best we had.

Long ago lost friend

Herb was killed while I was in OCS. He only lasted 12 days. It seems like most of the guys from my OCS class that died - died in the first 3 months. Brawley is going to build a veterans wall and I am going to pay to put Herb's name on the wall. He has no remaining family that I know of to do it and he shouldn't be forgotten. I knew Herb from 2nd grade on. His nick name was Cherios since he was always so happy and active.
